## Informed Consent to Treatment

### General Information

This form applies to patients of Priority Massage and Health – Naturopathic Medicine. By consenting to treatment, your naturopathic doctor will have access to your file and personal information.

Though gentle, naturopathic therapies have complications associated with certain conditions. It is **essential** to be complete in informing your doctor of your current state of physical and mental health, if you are on prescription, over-the-counter or recreational drugs, or if you suspect you are pregnant or are currently breastfeeding.

There are some minor risks associated with naturopathic therapies which include but are not limited to: bruising, pain or injury from venipuncture or acupuncture, fainting, organ puncture from acupuncture, aggravation of pre-existing symptoms and conditions, allergic reactions to botanicals or supplements, muscle sprains, strains or disc injury from spinal manipulation. The utmost care will be taken to prevent such outcomes.

### Patient Consent to Treatment

1. This is to acknowledge that I have been informed and understand that any advice or treatment that I receive as a patient at this clinic is not mutually exclusive from any other treatment I am currently receiving or may in the future receive from another licensed health care provider.
2. I understand that I may seek and/or continue to receive medical care from another healthcare provider qualified to practice in Ontario.
3. I understand that no one at this clinic is suggesting I refrain from seeking advice from another qualified health care provider.
4. I understand that my Naturopathic Doctor (ND) keeps a record of services provided to me, and this record is kept confidential, only to be released to others if directed by myself or if required by law. I may request to see this record at any time and have a copy of this record by paying a fee.
5. I understand that my ND reserves the right to determine if my health concerns fall out of the scope of her practice, in which case an appropriate referral may be recommended.
6. I understand that services at this clinic are not covered by OHIP, and I will be paying for fees at the time of the appointment; including fees for the visits, prescriptions, services and tests.
7. I understand that of my own free will, I would accept or reject the treatment protocol recommended by this clinic.
8. I understand that therapies recommended to me will be explained in full by my doctor, and that my questions will be answered as best as possible, in a manner which I can comprehend.
9. I understand that the results are not guaranteed. I do not expect my ND to anticipate all risks and complications, but rely on her to utilize appropriate judgment in my best interests, based on the facts and findings then known.
10. I understand that 24 hours notice is required for visit cancellation or change of appointment, or I will be charged the full cost of a visit.

11. I understand that my naturopathic doctor may prescribe to me medicines or devices, and that I may purchase them from my naturopathic doctor, a pharmacy, a health food store, or a medical supply company of my choice.
